Home Page interface

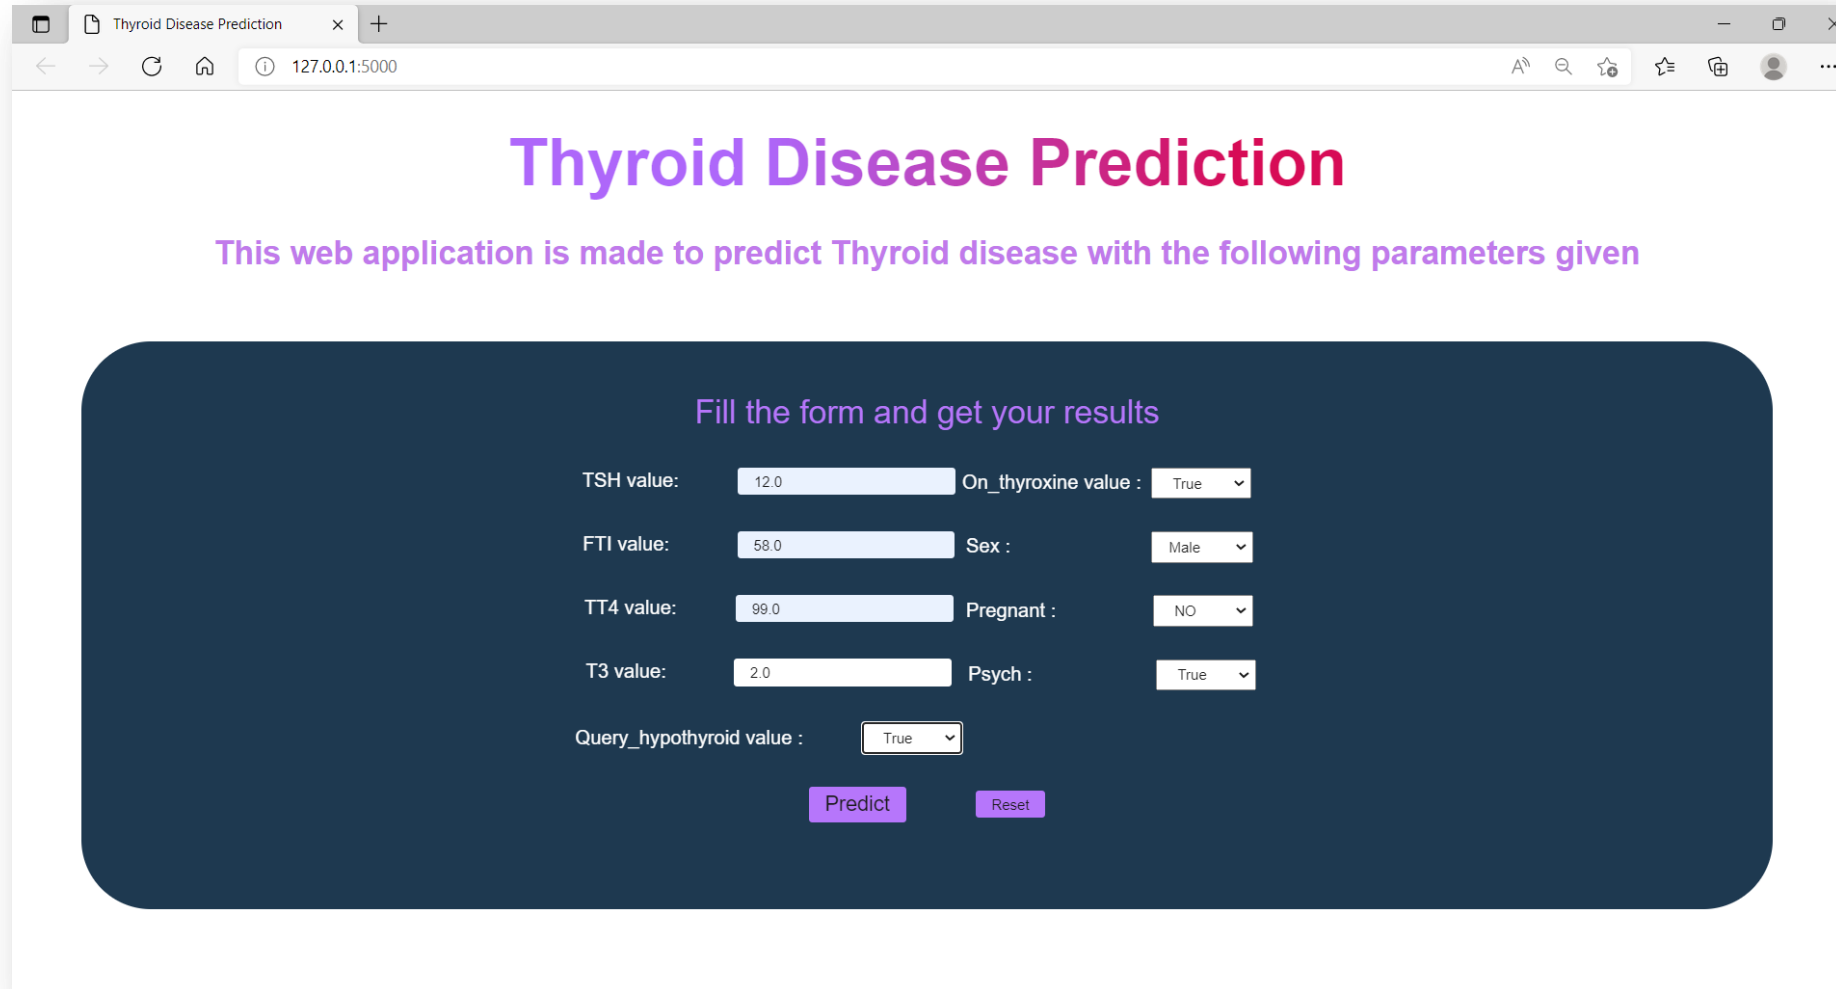

The screenshot shows a web browser window with the title "Thyroid Disease Prediction". The address bar shows the URL "127.0.0.1:5000". The main heading is "Thyroid Disease Prediction" in a large, bold, purple font. Below the heading, a purple text line states: "This web application is made to predict Thyroid disease with the following parameters given".

Below this text is a dark blue rounded rectangle containing the form. The form has a heading "Fill the form and get your results" in purple. The form fields are as follows:

- TSH value:
- On_thyroxine value :
- FTI value:
- Sex :
- TT4 value:
- Pregnant :
- T3 value:
- Psych :
- Query_hypothyroid value :

At the bottom of the form are two buttons: "Predict" and "Reset", both in purple.

Given values to predict

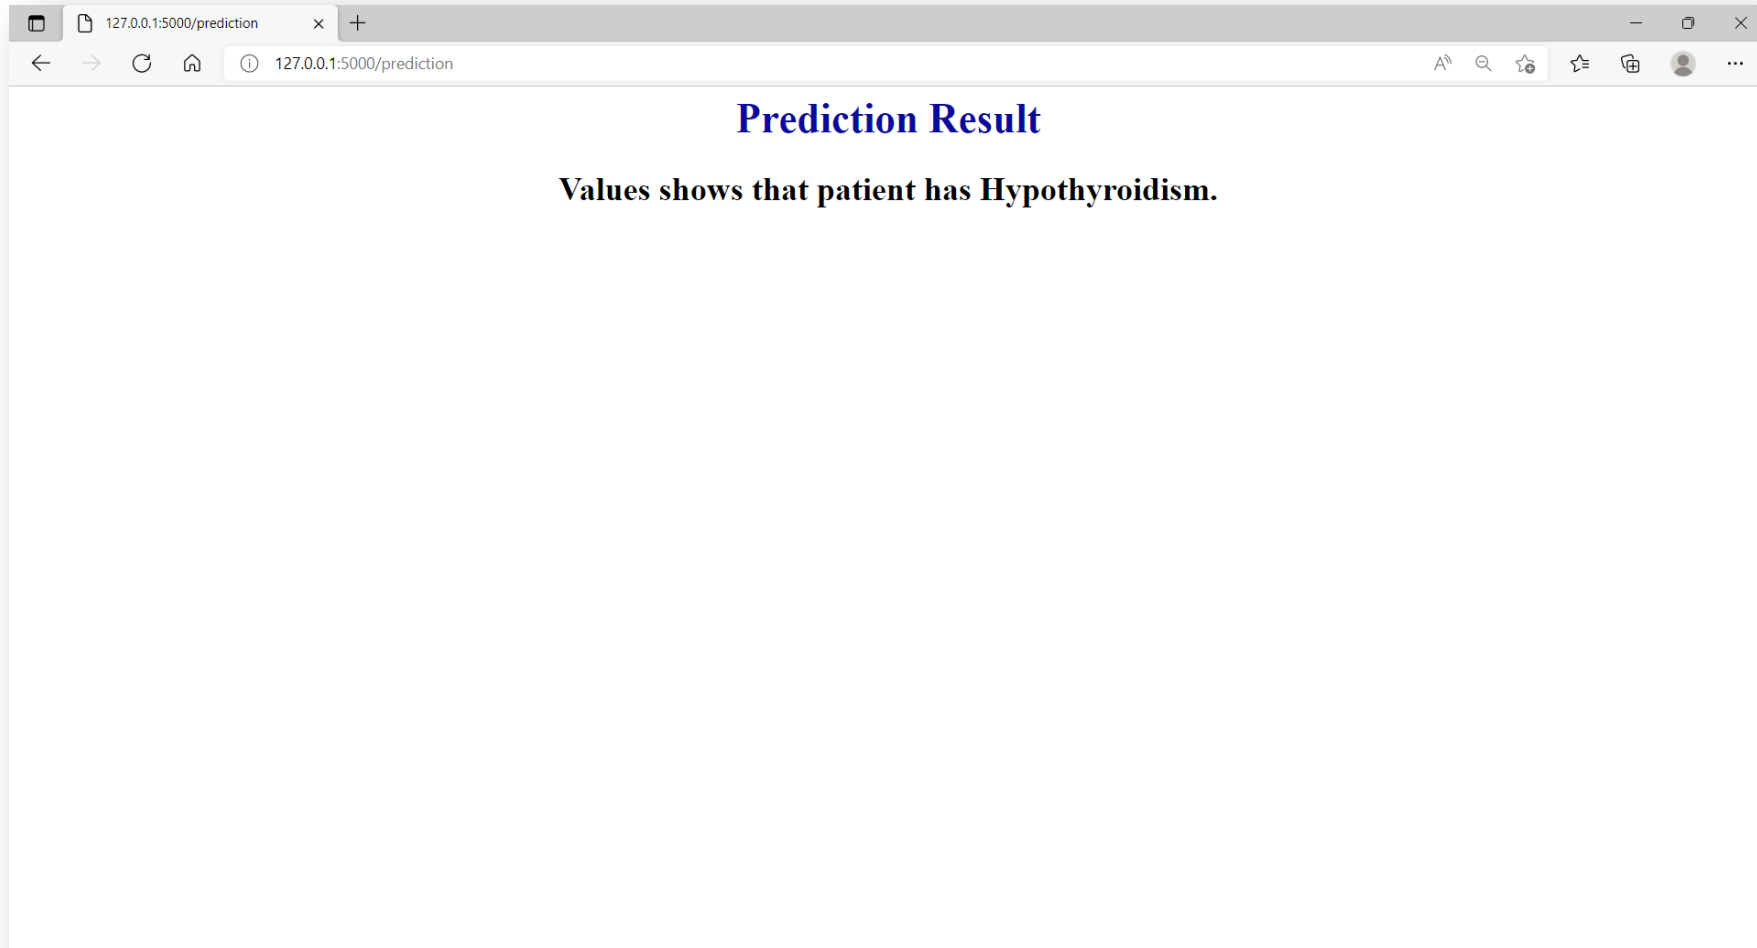

The screenshot shows a web browser window with the title 'Thyroid Disease Prediction'. The address bar shows '127.0.0.1:5000'. The main heading is 'Thyroid Disease Prediction' in a large, bold, purple font. Below it, a subtitle in purple text reads: 'This web application is made to predict Thyroid disease with the following parameters given'. The form is contained within a dark blue rounded rectangle and is titled 'Fill the form and get your results' in purple text. The form includes the following fields:

TSH value:	<input type="text" value="12.0"/>	On_thyroxine value :	<input type="text" value="True"/>
FTI value:	<input type="text" value="58.0"/>	Sex :	<input type="text" value="Male"/>
TT4 value:	<input type="text" value="99.0"/>	Pregnant :	<input type="text" value="NO"/>
T3 value:	<input type="text" value="2.0"/>	Psych :	<input type="text" value="True"/>
Query_hypothyroid value :	<input type="text" value="True"/>		

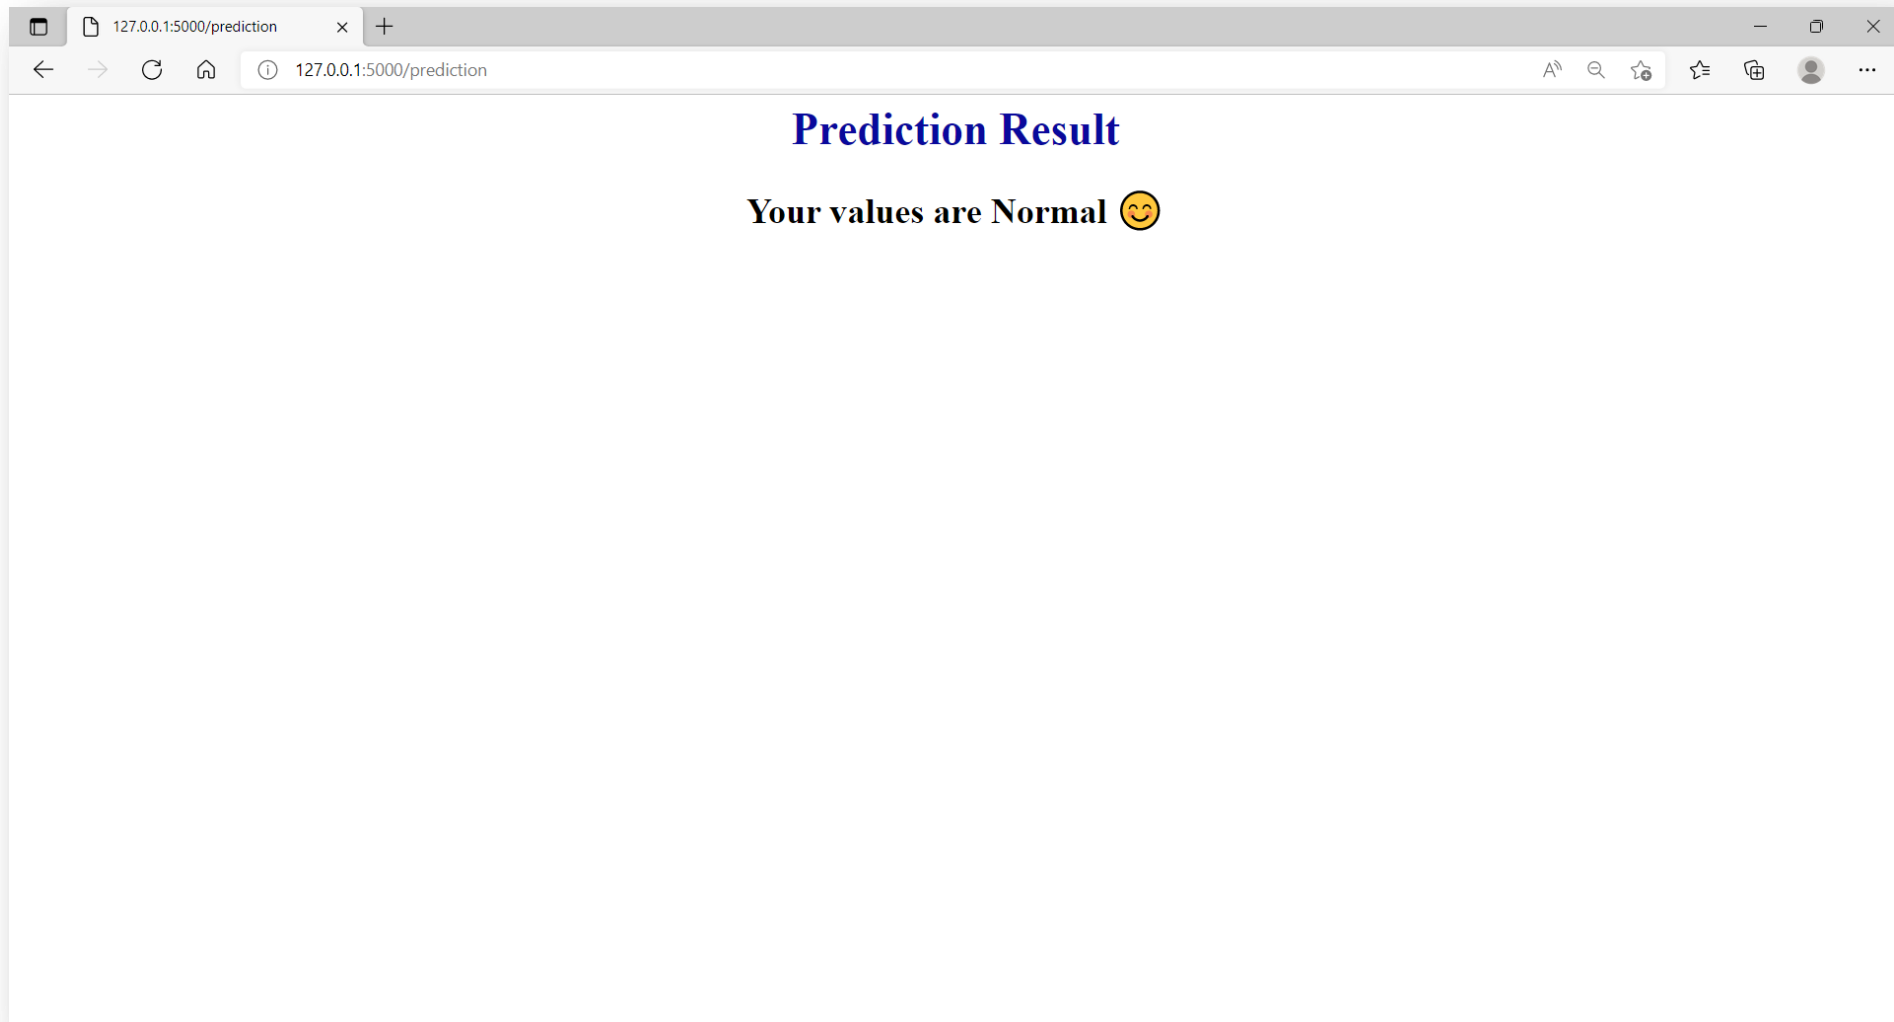

At the bottom of the form, there are two buttons: 'Predict' and 'Reset', both in a light blue color.

Prediction is done and the results are shown

a) Result for positive:

b) Result for negative:

Given reset to give next value

Thyroid Disease Prediction

This web application is made to predict Thyroid disease with the following parameters given

Fill the form and get your results

TSH value: On_thyroxine value :

FTI value: Sex :
